WELCOME BACK

After Saturday's goalless encounter over at Wigan we get the opportunity to test ourselves against old rivals Blackpool who themselves shared a four goal thriller with Burnley after being two goals down at the interval.

With this being the first game down here at Burnden after pre season friendlies at Lancaster, Horwich, Atherton, Darwen and Lincoln it will enable the home fans to take a look at our summer signing David Burke from Crystal Palace. David of course will need no

introduction to many Wanderers supporters who saw him rise through youth ranks to establish himself as a fine left back here in the early eighties.

Tonight's game and the visit of Burnley on Saturday will determine which side goes forward to host the final of the Lancashire Manx Challenge Cup next Tuesday night against the winners of Group A with matters currently all square in that section. (Bury 0 - Blackburn 0; Preston 1 - Rochdale 1).

RECOLLECTIONS

Blackpool make their first Burnden appearance in the Lancashire Cup tonight since February 1974. In those days the competition was played on a traditional knockout basis throughout the season.

A Stuart Lee goal gave Wanderers victory in that game over 16 years ago but Manchester City ended any hopes of securing the trophy with a 3-2 semi final win that also took place at Burnden Park.

Bolton first faced South Shore, later to become Blackpool, in the Lancashire Cup competition of 1885/86—the two years before the football league began!

After a 3-0 second round win Bolton then defeated Blackburn Olympic 11-2 before again visiting Blackpool, this time to face Blackpool St. John's, who were later to combine with South Shore.

Wanderers won 9-1 and went on to lift the trophy for the first time with a 1-0 success over Blackburn Rovers at Deepdale.

Bolton again reached the final in 1899, going down 3-1 to Bury, after having defeated Blackpool 1-0 in the first round.

In 1925 both Bolton and Blackpool reached the final which was held here at Burnden on a cold January afternoon. A last minute goal from Harry Nuttall secured a 2-1 Bolton win.

It wasn't until 1932 that the clubs again met in the competition

when two goals from Jack Milsom and Ray Westwood and one from George Gibb gave Bolton a 5-1 semi final replay victory.

A crowd of 15,000 at Maine Road then witnessed the Wanderers lift the trophy for the first time since 1927 when Manchester City were beaten 3-2.

During the War, games were played over two legs and in 1941/42 Blackpool brought a 7-1 first leg lead to Bolton with them. Wanderers regained some pride with a 2-1 win.

In 1965 four games were required to sort out a first round tie, Blackpool eventually winning 2-1, whilst more recently at Bloomfield Road, a 2-2 draw resulted in 1982 and a scoreless draw in 1987.
